**Subject: Green Ridge Recycling and Disposal Facility, LLC
Notice of Intent and Part A Application – Final Completeness Review**

Dear Mr. Cifor:

The Virginia Department of Environmental Quality (DEQ) Piedmont Regional Office (PRO) is in receipt of the response letter and attachments, dated October 28, 2020, prepared by Draper Aden Associates, for the Notice of Intent (NOI) and Part A Permit Application for the Green Ridge Recycling and Disposal Facility, LLC, dated January 17th and received on January 22, 2020. The response letter and attachments were prepared based on the comments provided by the DEQ in a letter (Completeness Review - 3) dated August 6, 2020.

The response letter and revised disclosure statement forms have been reviewed for ***administrative completeness*** in accordance with § 9 VAC 20-81-450.A, B, and C, § 9 VAC 20-81-460, and § 9 VAC 20-81-120 of the Virginia Solid Waste Management Regulations (VSWMR, 9 VAC 20-81-10, *et seq.*). Based on the review, the NOI appears to be ***administratively complete***. Please note that, in accordance with §10.1-1408.C.3 of the Code of Virginia, ***“Every applicant is required to update their disclosure statement...to indicate any change of condition that renders any portion of the disclosure statement materially incomplete or inaccurate.”*** Please notify the DEQ and submit any revised disclosure statement forms accordingly should any change of condition occur during the Permit Application process.

The Part A application has also been reviewed for ***administrative completeness*** in accordance with § 9 VAC 20-81-450.A, B, and C, § 9 VAC 20-81-460, and § 9 VAC 20-81-120 of the Virginia Solid Waste Management Regulations (VSWMR, 9 VAC 20-81-10, *et seq.*). Based on the review, the Part A Permit Application also appears to be ***administratively complete***. The Part A Permit Application will be further reviewed for ***technical adequacy and regulatory compliance*** and you will be contacted with comments resulting from the DEQ's technical review as soon as the review is complete.

Please note the letter should not be considered a legal opinion or a case decision as defined by the Administrative Process Act, Code of Virginia § 2.2-4000 *et seq.* If you have any questions about this matter, please contact me at (804) 527-5049, or by e-mail at dean.starook@deq.virginia.gov.

Sincerely,

Dean E. Starook
Groundwater Remediation Specialist
